

**Thanks for your interest in our Patent Pending  
SENTINEL Talking Sign!**

**For a complete demo visit...**

**<http://www.rewardandrecognizenow.com/sentinel.htm>**

**When your employees walk by the Talking sign, it senses their presence and plays any message you record.**

**Tired of signs that nobody pays any attention to?**

**Grab Their Attention with our New Recordable Talking Sign that Plays Anything You Record!**

**Record in FOREIGN LANGUAGES! People who don't read or speak English will HEAR IT NOW! Think of the possibilities!**

**\*A worker entering a high noise area is reminded **"Wear your Hearing Protection from here onward!"****

**In retail settings the possibilities are ENDLESS! Shoppers are reminded audibly of specials and new information!**

**\*An employee who enters a Confined space is reminded, **"Is your oxygen sensor turned on?"****
